ICT-Mumbai's students participated in the prestigious iGEM (International Genetically Engineered Machine) competition, and have won the silver medal at the iGEM Grand Jamboree held at Paris Expo, Port de Versailles, France in the last week of October, 2022

This year's team was formed, managed and led by **Darsh Vithlani from Final Year Dyes**; mentored and instructed by Dr. Shamlan M. S. Reshamwala of the DBT-ICT Centre for Energy Biosciences.

This is also the first time a team from ICT-Mumbai has bagged the silver medal, which is a significant milestone and a proud moment for the institute.

For their iGEM project, the team worked on the design and construction of biobricked standard 5' UTR sequences for modulation of gene expression.

Utreshwar Gawade, B.Tech Final Year Dyes student won the 1st prize in National level paper presentation event at SCHEMCON 2022, conducted by NIT Warangal on 23rd-24th September 2022.
