Event Report: Celebrating International Women's Day at Institute of Chemical Technology

Date: March 8, 2024

Venue: Institute of Chemical Technology, Mumbai

The Women's Cell Committee of Institute of Chemical Technology successfully organized a series of events to celebrate International Women's Day, commemorating the spirit and achievements of women worldwide. The three-day event showcased various competitions and activities highlighting the talents and contributions of women in different fields.

March 12th: Rangoli, Mehendi, Drawing, and Cooking Competition

The festivities commenced with a burst of creativity as participants engaged in Rangoli, Mehendi, Drawing, and Cooking competitions. The Rec Room buzzed with enthusiasm as participants showcased their artistic prowess and culinary skills. The event provided a platform for women to express themselves artistically and celebrate their cultural heritage.

March 13th: Dance, Singing, Poem, Elocution, and Hairstyle Competition

The celebration continued with a diverse array of competitions held at the KV auditorium. Participants enthralled the audience with their mesmerizing performances in Dance, Singing, Poem recitations, Elocution, and Hairstyling. The event not only celebrated talent but also empowered women to showcase their skills and express themselves confidently.

March 14th: Prize Distribution Ceremony and Guest Speech

The grand finale of the celebration was marked by a Prize Distribution Ceremony held at the KV auditorium. Distinguished guests, including the esteemed Adv. Mrs. Mankunwar Deshmukh, graced the occasion. Adv. Mrs. Deshmukh delivered an inspiring speech on "Invest in Women: Accelerate Progress," emphasizing the importance of empowering women for societal advancement. The ceremony honored the winners of the competitions, acknowledging their exceptional talents and contributions.

The three-day celebration of International Women's Day at Institute of Chemical Technology was a resounding success, fostering a sense of unity, empowerment, and appreciation for women's achievements. It provided a platform for women to showcase their talents, celebrate their diversity, and inspire one another to strive for excellence in all endeavors. The event underscored the institution's commitment to gender equality and the empowerment of women in academia and beyond.

- Prerana Awchare (PR Secretary TA)
