

List of Workshop / Seminar / Conference organized by the Department

Sr. No.	Title of Workshop/Seminar/Conference	Speaker	Date of Event
1.	Advances in Polymers and Coatings: Rangotsav 2016	Plenary Lectures, Paper / Poster Presentations	19-20 Jan 2016
2	Seminar on “Experiencing Breakthroughs in Separation & Detection Techniques” by Agilent	From Agilent	23 rd June, 2015
3.	DST – TIFAC: MSME, ICT and APRA workshop on “3D Printing and its Applications”	Mr. Siddhanth Pai, Prototype Printing, Pune	25 th February, 2015
4.	ICT – IPI One Day workshop on “Advances in Analytical Techniques for Plastics, Polymer, Composites & Packaging Industries”	Dr. Swaminathan Sivaram, NCL - CSIR	10 th April, 2015
5	Advances in Polymers and Coatings: Rangotsav 2015	Plenary Lectures, Paper / Poster Presentations	30 th – 31 st January, 2015
6.	DST – TIFAC: MSME, ICT and APRA seminar on “Health, Safety, Cleanliness and Hygiene at Workplace”	Several Invited Speakers including Dr. Anil Kakodkar	15 th – 16 th December, 2014
7	Golden Jubilee Visiting Fellowship Lecture on “Photovoltaics Education & Research at UNSW and ACAP / AUSIAPV”	Dr. Richard Paul Corkish, University of New South Wales, Australia	7 th August, 2014
8	Seminar on “Nanotechnology in Australia”	Prof. Gunther Andersson, Flinders University, Australia	26 th March, 2014
9	Advances in Polymers and Coatings: Rangotsav 2014	Plenary Lectures, Paper / Poster Presentations	17 th – 18 th January, 2014
10	UDCT Diamond Jubilee Visiting Fellowship in Polymer Science & Technology	Dr. Lalit Varshney, Head – RTDS, BARC	7 th September, 2013
11	Tipco - UDCT Diamond Jubilee Visiting Fellowship in Thermosets & Composites	Dr. Suryasarthi Bose, IISc Bengaluru	5 th – 6 th September, 2013
12	Synpol – ICT Diamond Jubilee Visiting Fellowship in Science & Technology of Pigments Endowment	Mr. Amit S. Ambelal	31 st August, 2013
13	Advances in Polymers and Coatings: Rangotsav 2013	Plenary Lectures, Paper / Poster Presentations	15 th – 16 th February, 2013
14	Seminar on “Current Research Trends in Polymer Science”	Dr. George Bechtold, DFG, Germany	1 st December, 2012
