

Institute of Chemical Technology, Mumbai

Green Policy Statement

- ✓ To create awareness regarding environmental policy amongst the students and the management: *No nature no future*
- ✓ As per the govt. rules and regulations regarding the instructions of tobacco free campus, consumption of tobacco, pan-masala chewing is strictly prohibited : *Tobacco control act 2003*
- ✓ Usage of Solar Energy on university Campus by installing Solar panels, Lamps and Solar water Heaters all over the campus rooftops : *Moving towards renewable energy*
- ✓ To maximize the use of ICT and minimize the use of paper : *Moving towards paperless office.*
- ✓ To bring in use the 'Rain Water Harvesting' on the campus. We have collected the rain water from the hostel roof and it is harvested in the land : *Catalyst for human development*
- ✓ To observe 'No Vehicle Day' and keep the campus vehicle free. It helps to save the fuel, avoids the environmental pollution: *22nd September world car free day*
- ✓ To Increase the students engagement for integrative, practical, beyond the classroom experiences focused on sustainability issues and solutions to sustainability challenges: *Education for sustainable development*
- ✓ To use the solid waste through vermin-compost on the campus and use it as a fertilizer: *Sustainable organic agriculture*
- ✓ To use Dry and Wet dust bins in the campus so as to keep campus neat and clean: *cleanliness 24/7/365*
- ✓ To protect and nurture the Flora and Fauna on the campus: *Take care of our earth*
- ✓ To conserve the resources through waste reduction, recycling, energy, local sourcing, and water use minimization: *Reducing and reusing basics*
