

The following instruments are open to the external users on a pay per use basis:

- **Gas Chromatograph – Mass Spectrometer (GC-MS)**
- **High Pressure Liquid Chromatography System (HPLC)**
- **High-resolution transmission electron microscopy with EDS facility (HRTEM)**
- **Powder X-Ray Diffractometer System**
- **Gas Chromatography**
- **Scanning Electron Microscope with EDS system (SEM Jeol)**
- **Photon Correlation Spectroscopy**
- **Fourier Transform Infrared Spectroscopy**
- **X-Ray Photoelectron Spectroscopy**

Kindly send an email with request to use the aforementioned Instrument(s). Application form and charges would be shared via email.
