

Freshers Week at ICT College, Mumbai, held from **20th September to 6th October**, was a lively and engaging celebration to welcome both **first-year undergraduate (UG) and postgraduate (PG) students**. Over the course of nearly two weeks, new students participated in various events showcasing their creativity, talents, and team spirit. The week concluded with a grand finale and prize distribution, setting a positive tone for the freshers' academic journey.

Events: (19th September): Formal Orientation and Welcome

Freshers Week began with a formal orientation led by faculty members and senior students from each department. Both UG and PG freshers were introduced to their academic environment and available resources, setting a welcoming tone for their journey at ICT College.

(20th September): Technological Association (TA) Introduction

Freshers were introduced to the Technological Association (TA) members, who offered insights into academic resources, different clubs and student-led initiatives. This session helped freshers familiarize themselves with various opportunities and connect with peers across departments.

Swachhta Hi Seva Campaign

As part of ICT College's commitment to social responsibility, freshers participated in the Swachhta Hi Seva campaign. This initiative focused on cleanliness and environmental awareness, underscoring the importance of contributing positively to the community.

(24th September): Colour Coded Day

Colour Coded Day added a unified and vibrant touch to the campus as each department represented itself in a designated colour. **Chemical Engineering students were dressed in black, Dyes in red, Foods in blue, Oils in yellow, Pharma in green, Polymer and Coating in pink or purple, and Textile in white.** This day painted the campus with a lively aesthetic, celebrating departmental pride and unity.

(25th September): Bollywood Day

Bollywood Day celebrated the vibrance of Indian cinema and Bollywood-inspired fashion.

(26th September): Mismatched Day

Mismatched Day encouraged freshers to get creative with quirky outfits, promoting individuality, humour, and self-expression.

(27th September): Formal Day

Freshers flaunted their sharpest formal wear and owned the campus with confidence and class.

(29th September): Treasure Hunt

The Treasure Hunt was an adventurous and interactive event across campus that encouraged teamwork and problem-solving. Freshers collaborated in teams to solve clues and discover hidden items, creating an atmosphere of excitement and strengthening new friendships.

(30th September): Traditional Day

Traditional Day celebrated the cultural diversity of ICT College, with students donning attire that represented their heritage.
