

TEACHERS DAY

Date: 5th September, 2024.
Venue: Institute of Chemical Technology, Mumbai.

Teachers' Day is a special occasion dedicated to honouring and appreciating the invaluable role teachers play in shaping lives and fostering knowledge. This day reminds students of the dedication and guidance teachers offer, inspiring them to show their gratitude.

On this Teachers' Day, postgraduate and undergraduate students visited their respective Heads of Department (HoDs) and Professors as a gesture of appreciation. Visiting **Prof. V. K. Rathod** of Chemical Engineering Department, **Prof. A. P. Pratap** of department- Oils, Oleochemicals and surfactant technology, **Dr. Jyotsna Waghmare** of department- Oils, Oleochemicals and surfactant technology, **Dr. Satyajit Saha** of department- Speciality Chemicals Technology, and **Prof. ST Mhaske** of the Polymer and Surface Engineering Department, the students presented them with bouquets and framed photographs as tokens of gratitude.

Each professor warmly received the gifts, expressing their appreciation for the thoughtful gesture. The event underscored the deep respect students hold for their mentors, creating a memorable day that celebrated the strong bond between students and teachers and recognized the faculty's enduring impact on students' lives and careers.
