Applications are invited for the post of Junior Research Fellow

Project Title : Separation and Purification of Bioactive compounds from Cashew Fruits

Sponsor : J. B. Joshi Research Foundation

Principle Investigator : Dr. Vishwanath Dalvi

No. of Positions : 01 (One)

Qualifications : M.Chem. Engg./M.Tech. (Chemical Technology)

Remuneration/Fellowship : As per the DST Guidelines (Rs. 37000 + HRA per month)

Interested candidates should fill the application form via the google link.

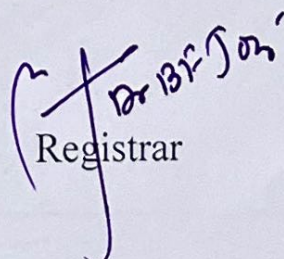

Google form link: <https://forms.gle/KfkhfjN74D567NS7>

The applications should be submitted via google form only before April 30, 2024. The form will stop accepting responses at 5.30 pm on 30/04/2024. Applications sent via email will not be considered.

You need the following details below to complete the form

1. General information (Name, email id, mobile number, etc.)
2. Education Details (Bachelor and master degree details with CGPA/percentage)
3. Experience details (if any)
4. CV with photo (10 MB max) Note: CV without a photo will not be accepted

Only shortlisted candidates will be called for an interview (in person). The date and venue of the interview will be communicated to the shortlisted candidates. Selection will be based on an interview (in person) conducted by a committee. **The selected candidate shall be considered for registering for PhD (Tech) under Dr. Vishwanath Dalvi (Department of Chemical Engineering) provided the candidate fulfills all the requirements for the admission as per the ICT admission handbook.** The recommendation of the committee will be final. No TA/DA will be provided to appear for this interview.
